THE TEXTILE MUSEUM

Brownie Girl Scouts: Clothes of Many Cultures

This interactive gallery experience explores cultures from around the world by looking at clothes. Brownies recognize some of the garments: others are new discoveries. Shapes, colors, and textures are identified by hands-on encounters with various garments. Meets some of the requirements for the Art to Wear, Colors & Shapes, and Art Around the World Try-Its.

Junior Girl Scouts: Explore the World through Textiles

Scouts discover numerous and sometimes surprising ways that textiles are used in everyday life, as works of art, and the role of women in creating textiles. This year Africa, China, India, Iran, and many more countries are represented. Meets some of the requirements for the Yarn and Fabric Arts badge.
